## ABOUT RADIUS CHILD AND YOUTH SERVICES

Radius Child and Youth Services provides comprehensive assessment and treatment to children, youth and families affected by interpersonal abuse, neglect, and violence. We've accomplished great things and have been witness to thousands of inspiring stories of strength, resiliency and hope. But our work is far from done.

Throughout the pandemic, Radius has had to pivot our services to meet the ever increasing needs of the communities we serve. Virtual assessment and treatment, in-person treatment for those unable to attend virtual sessions, as well as ongoing support for parents and caregivers, has helped to ensure that our young clients continue on their journey to heal.

As anticipated, the mandated lock downs in the province have created an increase in child abuse cases. Radius is a BIG part of the solution. We are committed to supporting children and youth on their journey to heal from trauma caused by abuse, and we focus on prevention and intervention that helps stop abuse before it happens.

Together, we can do MORE. By sponsoring the Tournament of Hope, you will ensure MORE children and youth of the present receive the care they need.

**Join us in building bright and healthy futures.**
