## WHO IS RADIUS CHILD AND YOUTH SERVICES?

Radius Child and Youth Services is Ontario's largest provider of specialized mental health services for children, youth, and families who have experienced abuse, neglect or witnessed intimate partner violence. All services are free of charge.

Our comprehensive assessments help identify the strengths, needs and therapeutic goals of each child and youth before treatment begins. An individual treatment plan is created and may include; one-on-one counselling, group counselling, art-based therapies, and support services for a client's family and caregivers.

Each year, our multi-disciplinary team of social workers, psychologists and psychometrists collaborate to deliver over 5,000 hours of counselling to children and youth affected by abuse.

Radius receives funding from the Government of Ontario, but we rely on donations, grants and fundraising events to help meet the needs of the communities we serve. We have the experience, the leadership and the drive to make it happen. Now we need YOU.

**Join us in building bright and healthy futures.**

## THE ROARING 20's PARTY: SATURDAY, OCTOBER 3, 2020

Whether you celebrate the 1920's or 2020's, Radius is over the moon to announce their 2020 Spring Event! We'll be putting on the ritz, **Saturday, October 3rd**, at our **Roaring 20's Party!** Jazz it up with all the glitz and glamour of the 1920s (and none of the Prohibition) while helping raise funds for children, youth and families affected by abuse.

Since 1999, this annual spring event has brought together community leaders, established business owners and individuals who wish to partner with us in our mission of helping children, youth and families build their futures free from abuse, neglect and violence.

We are planning a jazzy evening that you'll want to flap and tap along to, infused with the sights, sounds and flavours of the **ROARING 20's!**

### MISSION
