

Radius = CHILDREN, YOUTH AND FAMILIES AT THE OF WHAT WE DO

Radius helps children, youth and families build their futures free from abuse, neglect and violence.

Here's how:

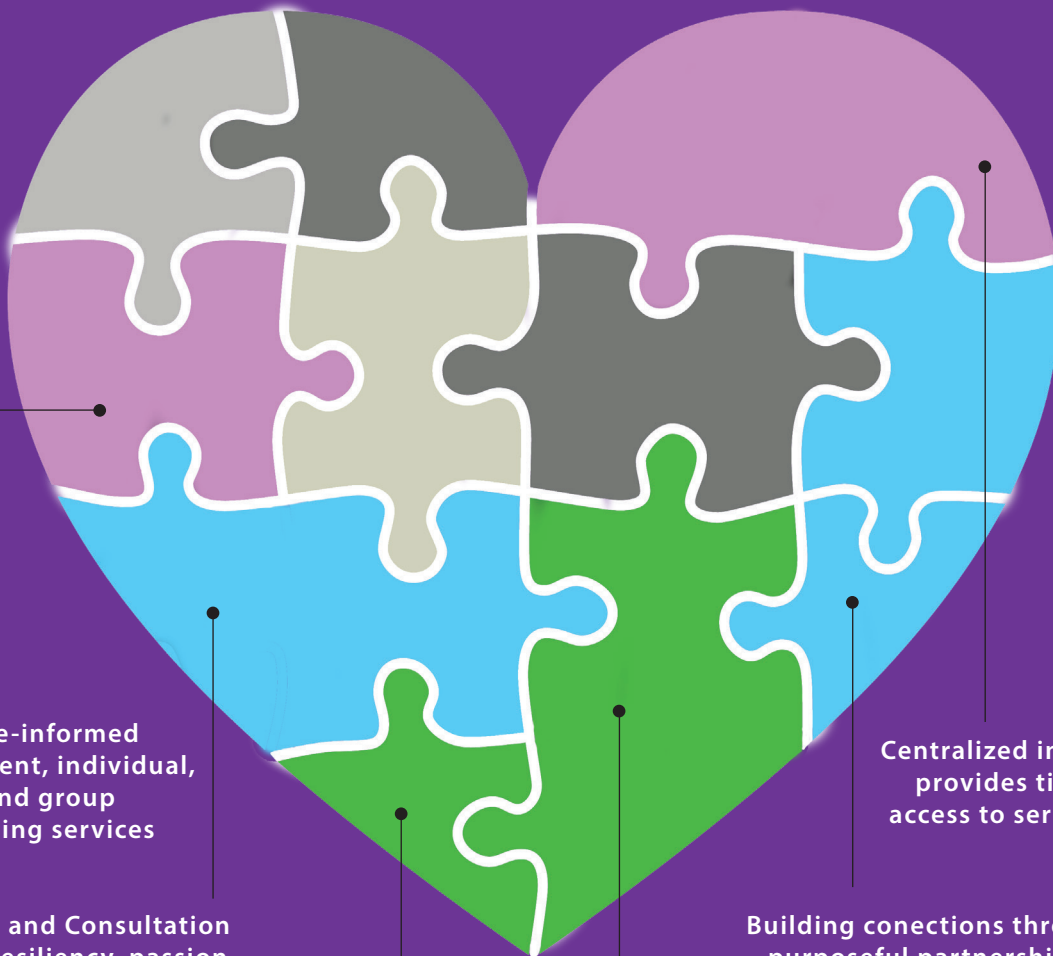

CLINICAL SERVICES

TRAINING AND CONSULTATION

RESEARCH AND EVALUATION

Evidence-informed assessment, individual, family and group counselling services

Training and Consultation fosters resiliency, passion and purpose among staff and community partners

Commitment to accessible research across local, national, and international platforms

Centralized intake provides timely access to services

Building connections through purposeful partnerships to ensure a network of support for children, youth and families

Program evaluation and research works to improve outcomes and contribute to best practice
